

Hands On Gulf Coast Member – Construction Assistant

Background: Points of Light & Hands On Network leads an international movement of people who roll up their sleeves, get hands on, and solve community problems everyday. Through their Volunteer Center National Network and Hands On Action Centers, the organization supports a network of 370 organizations covering 88% of the US market and eight countries. These organizations mobilize millions of volunteers who partner with more than 12,000 nonprofits, schools and community organizations every year. They put people at the center...repairing homes, ensuring green spaces and partnering with nonprofits, students and faculty to transform schools and communities. Points of Light & Hands On Network encourages people from all walks of life — businesses, nonprofits, faith-based organizations, low-income communities, families, youth, and older adults — to volunteer and be the change in their communities. Hands On Gulf Coast (HOGC) began as Hands On Network's response to the devastation of Hurricanes Katrina and Rita. Based in Biloxi, Mississippi, HOGC has been in operation since February 2006, continuing a partner's operation opened in September 2005. Every week, volunteers from across the country come to Biloxi to work with HOGC in cleaning and rebuilding damaged homes, revitalizing public spaces, and supporting local community organizations. Some deployed volunteers are housed at the HOGC Civic Action Center, a unique and welcoming volunteer community. As recovery from Hurricane Katrina progresses, HOGC is working towards becoming a locally run organization that engages local volunteers in improving their own community through service. HOGC is committed to giving both deployed and local volunteers the chance to participate meaningfully in the recovery of the Gulf Coast; we are also committed to aiding the recovery process in a way that supports the visions, traditions, and efforts of local residents
